Pastor’s Corner

Many people enjoy the warmth and bright sunshine of Virginia in August, but excessive sun or heat can quickly lead to physical distress. Water alone is not the answer; we also need shade. Our spiritual wellbeing is no different. Psalm 121:5 says, “The Lord is your Keeper; the Lord is your shade on your right hand. God’s shade is a picture of protection from the literal and figurative harshness of the world. His shade gives us relief from the oppressive “heat” that we feel from daily living. So, remember to drink deeply from the living water of Jesus and rest in the shade of God the Father before you head out into the world to do the work God has given you to do.
