Midwinter and Valentine’s Day always remind me that relationships are important. Love is at the center of any kind of relationship, but it is that Christ kind of love that we are called to give to others. In John 13:34-35, Christ reminds us to love one another as he loves us. Love for one another brings glory to God. Maybe we can ask ourselves what relationships we have that need a little more love, and then actively pursue change.
