## **Pastor’s Corner**

Spring is just about here. Soon the “pollening” will begin, and everything will be covered in a yellow-green. I have a habit of complaining about it, but was recently reminded that it is a sign, a sign of the renewing of life. How many times did Jesus show renewed life, despite criticism from those who disapproved? This Spring, let’s try to focus more on renewal and less on what must pass.

2 Corinthians 5:17 (NIV): “Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!”
